Ready to be Recognized

Dear HHS Families and Supporters,

Welcome to Highlands High School. Home of the Mighty Owls!

Our goal is to provide a safe learning environment for each student to excel personally, socially and academically. We provide a variety of challenging educational experiences in the classroom and outside the classroom through clubs, sports, art, music, performing arts and yearbook. Students who attend school every day, perform to the best of their ability, and engage in a variety of activities during their high school years will have an outstanding academic and educational experience at Highlands High School.

SAISD has a thematic goal of improving the attendance rate across the District. I would like to take this opportunity to remind parents that their children are required by the Texas Compulsory Attendance Law to attend school for the full day of instruction (8:45 a.m. – 4:15 p.m.) every day of the school year.

Absenteeism unavoidably affects the quality of a student's work, interferes with normal instructional procedures in the classroom, and places additional demands on the teacher to provide remedial assistance. It negatively impacts the child who is absent as well as other students in the class.

As stated in the SAISD mission statement, Highlands HS strives **to graduate all of our students and prepare them for success in higher education.**

I encourage you to become an active member of our school community.

Sincerely,

Lorna Klokkenga
Principal
